**GEORGE PEARTREE**

**3/13/1918—3/6/2009**

40-plus-year SFA member George Peartree passed away peacefully on March 6, 2009. George was 92 years young. Even in ill health his sense of humor remained intact. He was found at home in his chair, by his care giver who was working in the house. She found him as if asleep. For many years when he could no longer shoot, he would go to the club very early to unlock the gate, and make the first pot of coffee for the day. If needed, he would have a warm fire going for the comfort of those arriving later.

**NFAA RANGE INSPECTION RESULTS**

Our range was inspected by a representative of the NFAA on the 15<sup>th</sup> of March. We were one of only a few ranges to have garnered a 5-Star rating from the NFAA last year. And thanks to the Club Members who have been showing up for the work parties, we've garnered another 5-Star rating this year! Thank you for making our range one of the nicest in California!

**TRADITIONAL RENDEZVOUS**

The Pacific Traditional Rendezvous is fast approaching! Bring out your recurve, longbow, or primitive bow on Sunday, the 19<sup>th</sup> of April, and take a shot at the mammoth! Also, don't forget to try your luck at the Jug Shoot!

**SALADS!**

I would like to thank you all for all the lovely salads that have been donated for the shoots. Our guests really enjoy that treat. April 19th is coming upon us at a rapid pace so I would like to ask for salad donations. We can also use help to clean the kitchen and the snack shacks. If you are able to help man the kitchen or a snack shack please call (650) 359-5717 or look for a sign up sheet in the club house. Please use the same number for salad donations.

Thank you all once again.

## ATTENTION ALL BOW HUNTERS!

Jim Langell will be holding a IBEP Certified Bow Hunter class on Friday June 26<sup>th</sup> and Sunday, June 28<sup>th</sup>. The times are from 7-10pm on the 26th and 8-4pm on the 28th. While California currently does not require a special certification for bow hunting—and this is not considered a CA Hunter Safety Class—many other states and many foreign countries *do* have this requirement. Check out the attached flyer or call Jim at (650) 392-5128 for details.

### GENERAL HUNTER SAFETY

If you need to take a Hunter Safety class, CA DFG has John Brusco listed as a instructor. He teaches them at the Pacific Rod and Gun Club. Call (650) 588-0924 for details.

### 2009-2010 HUNTING SEASONS!

You need to have your paperwork filed before June 1<sup>st</sup> if you plan on putting your name in for any of the California hunts that require drawing applications for the 2009-2010 season (even if you just want a “point”).

### PUBLICATIONS NOTICE

If you have any articles or calendar events that you would like to see published in the club newsletter, please try to submit them to [editor@sfarchers.com](mailto:editor@sfarchers.com) by the 20<sup>th</sup>!

Comments about the Club’s newsletter can be emailed over to [editor@sfarchers.com](mailto:editor@sfarchers.com) and are most welcome!
