July 2008

Howdy,

Considering it has been relatively busy event-wise at the range, it seems surprisingly little is worth writing about. So, I will do my best to pass along some information regarding events in the near future.

1,000,000 B.C. SHOOT

Our premier shoot is coming upon us fast and furious in less than 2 weeks (August 2-3). Since the shoot is on Saturday and Sunday, set-up will be on Friday, August 1 - it would be appreciated if you can help out if you are available. We need volunteers for the following:

- Set up (Friday)
- Salads to serve with lunch (contact Jeanine Hamack—hamack@sbcglobal.net or 650-359-5717)
- Registration (Saturday and/or Sunday - early)
- Snack Shacks (Saturday and/or Sunday)
- Kitchen (Saturday and/or Sunday, breakfast and lunch)
- Runners (Saturday and/or Sunday)
- Takedown (Sunday - 2:00-ish)

A sign-up board should be set up in the clubhouse - sign up and help make this event a success. And, it's not too late to think about donating a raffle prize for the shoot. Items can be left at the clubhouse - please mark the item clearly that it is for the B.C. raffle. Club members are allowed to participate in the shoot as well, though it would be nice if you could help out either before or after. Be one of the first to stick an arrow in our new Mammoth target. A flyer is attached with all the particulars.

DID YOU BECOME A CERTIFIED BOWHUNTER?

I'm sure someone would love to hear about your experience at the class held June 21-22 (assuming it was, in fact, held).

VICE PRESIDENT OF HUNTING - VACANCY

A **general meeting** was not held immediately preceding the July 8 Board meeting (which was rescheduled to July 14 for a multitude of reasons) in order to elect a candidate to fill this position. Interested parties can contact Jim Robison. More information on this as it becomes available.

2008 STATE FIELD CHAMPIONSHIP

We hosted this event on Sunday, June 8. The attendance was underwhelming. We will not be hosting again under the current multi-venue format. Thanks to all who took the time to help set up and run the event.

3D COMBO SHOOT

The third Club Half & Half went well and a good time was had by all who were there. Turnout was a smaller than the first two dates, but we are at the height of vacation season. The final one is scheduled for **Sunday, September 14**. You need just two scores to qualify to for an award at our annual dinner in November.

WEDNESDAY NIGHT 3-D SHOOT...

Are cancelled for 2008 due to lack of commitment. Maybe we'll have better luck next year.

SINCE A ZONE IS OPEN - YOU MIGHT BE A HARD CORE BOWHUNTER IF...

You have more sets of camo than you do business suits;

You know the date of bow season but can't remember your anniversary.

Your regular street clothes are all shades of brown and green.

While watching TV that shows any game animal, you always look for the best angle and time to shoot.

Buy dental floss for your bow but not your teeth.

You can't stand cleaning dog poop up out of the yard; but have ever picked up deer poop and squished it between your fingers to check for freshness.

You carry more than three knives and a sharpener into the field hunting.
