

# ARROW

*San Francisco Archers*

May 2005 Issue | *The Arrow is a publication of San Francisco Archers founded in 1946*

**JOHN FLYNN** | *Vice President of  
San Francisco Archers*

The weather is looking better and better each day (well, it was when I started to write this), and Jim Robison tells me that there's been pretty good turnout at all the shoots he's been to. And, if you know Jim at all, he goes to a LOT of shoots. That should bode well for SFA as the summer progresses--when we support other clubs, they support us, so make an effort to go to at least one shoot at another club this season.

There's a sign up list in the clubhouse for the following shoots hosted at the club:

**2005 California State Field Championships**  
**The 2005 Traditional Rendezvous**  
**The Wednesday night 3D shoots**

We need your assistance to make all these events a success—heck, we need your assistance even if they aren't a success. Getting all the targets glued up for the State Field is going to be a special challenge this year – we still need large CLEAN sheets of cardboard to mount them on. Any bit of time you can find in your busy schedules to come down and help out with what needs doing (any day of the week--even for an hour) to support the club's efforts to put on the best shoots we possibly can will be greatly appreciated. If you think you don't know anything about how to work a shoot, there are always others who will be more than happy to help you learn.

## SPECIAL WORK PARTY FOR THE STATE SHOOT SATURDAY, JUNE 4

As we have done the past couple of years, we will not be having a raffle at the Traditional Rendezvous. We will instead put all of our efforts into having a good array of items for the 1 Million BC in August. Once again, we're asking club members to support the raffle by donating a new or handmade item or a gift certificate for products or services. You can purchase the item or solicit a donation from a business. The Club will NOT be purchasing items for the raffle. Drop off your item to one of the club officers or board members at the clubhouse, or I will arrange to have items picked up, if necessary. You can reach me most evenings after 7:30 at 650-355-0346.

~ John

**CHRIS SCULLY** | *VP of Hunting,  
San Francisco Archers*

Hey Guys And Gals:

As that time of year is coming our way, it is again time to pony up the cash to hunt here in what is called the "Great State" of California. I have gathered the info some of us need, specially, what we are paying and when the different hunting zones will open and closed.

Last year we were looking at an across the board rather slight increase in tag prices, with the one exception of wild pig tags which took an all but rockets path to the sky in cost (\$8.75 for a booklet of 5 tags, too \$15.00 for 1 tag). So before we all go to the counter

and have a collective heart attack this year, I thought I would warn all of you as to what you can expect to pay this year, which all in all we are not really getting the shaft too much harder this year.

<b>Licenses:</b>	<b>2004</b>	<b>2005</b>	<b><u>Increase</u></b>	<b><u>Decrease</u></b>

~ Chris

**DARLENE FLYNN** | *Treasurer,*  
*San Francisco Archers*

## THANK YOU!!!

If you've been down at the range lately, you might have noticed a couple of major improvements (you'd have to be blind to have missed them).

Mike Hipskind, our range custodian, noted the ramshackle state of our picnic tables. Luckily Mike has friends/relatives in high places. His brother Ron works for Sierra Point Lumber in Brisbane. Sierra Point, run by Jessica Nobmann, actively participates and invests in the goals of their local communities. Long story short, someone from Sierra Point came out to the range to assess our needs and told Tim to show up with a pick-up truck the next morning. Lo and behold, Sierra Point donated \$1,000 worth of lumber--enough to build several new tables in the picnic area. A large part of the May work party was spent priming and painting and assembling these beauties. They will serve us well for many years to come. A big thank you to Mike and to Sierra Point Lumber.

Would you believe that there is another equally tremendous gesture of generosity to report? One of our new members Rick Gawellek, is a painting contractor. He volunteered to repaint the entire clubhouse! I can only imagine the hours it must have taken, not just to paint it, but to do the prep work that will help it looking good for many years. Rick, your work party obligations are satisfied for many many months. Thank you for all your hard work

May | May 2005

It is the generosity both of pocket and spirit of so many individuals that makes a club like ours so special. There are a handful of people who give and give and give again, and when no one else steps up to do what needs doing, they always find a way to give a little more. Unfortunately, this leads some to assume someone else will always take care of what needs taking care of. I hope this inspires some members, who have been members in name only, to come down and give something back to the club in whatever way they can. And, every month (OK, every newsletter), from now on, I'd like to see at least one recognition of thanks and appreciation for someone who has gone above and beyond what we should reasonably expect from any member. So send a note or leave a message with any of the Officers or Board members about someone you'd like to thank and we'll be well on our way to keeping this range and club one of the best places you'd ever want to be.

With my personal thanks for every good thing you all do,

~Darlene

## OFFICERS FOR 2005

**President:** Jim Robison
