San Francisco Archers

October 2004 Issue | *The Arrow is a publication of San Francisco Archers founded in 1946*

JIM ROBISON | *President of
San Francisco Archers*

Hi everybody,

Looks like we made it through another year and the elections are right around the corner. Once again we actually have more people running for board positions than the number of positions! This is an excellent turn of our fortunes compared to the previous years that I have

been here. As usual, I invite ALL members of the club to participate in the operation and decision making of our organization. Come to the meetings and work parties and be a part of a GREAT club and range.

On another note, a good number of our membership has been out there at other shoots flying our club's flag and showing the other clubs that we not only ask for their participation in our shoots but that we are willing to support them at theirs. Whether you realize this or not, this is a big reason that our shoot numbers have been so good recently. So, go to another club and have some fun shooting and not having to do the WORK. You'll appreciate their effort and you might even HAVE a GOOD TIME:)

Well, I'll leave you all alone for now and remind you one last time to please VOTE in ours and our nations election (photo is from TAC shoot in Petaluma)

NEWS

BURGLARY

Somewhere between Sunday evening and Monday morning October 3rd or 4th our property was vandalized and robbed. The vandals managed to break into several buildings and stole a significant amount of equipment and cash.

Tim spoke with the police and filed the report. Locks have been changed and plans are under way to safeguard against further robberies. This is a partial list of the stolen items.

- 1 generator
- 2 weed eaters
- 1 compressor
- 1 welder
- several wrench sets
- 1 chop saw
- 4 chain saws
- 1 weed blower
- several toolboxes
- 2 wheel barrows
- arm guards
- finger tabs
- 6 bows
- 6 cans of coffee
- \$250 cash

If you have any tools/equipment in good condition that you do not need, consider making a donation. We need as much help as possible to replace all the equipment that was stolen. Also, please keep an eye on eBay listings for any equipment that was stolen.

CHIPPER PURCHASE

We voted to purchase a chipper at the October 4th General Meeting. Almost everyone in attendance seemed to be in favor of the purchase.

CLUB CHAMPIONSHIP

Just a note to remind you that you still have time to get in a score or two for the club championship. The cut off is Sunday, November 14. We've had more participation than we've had in many years. There are a few of you out there that only need one more score to qualify, so try and get out there and make it a real competition. You need to shoot with two other club members and sign each other's scorecard before you turn them in. Remember to put your name on your scorecard as well as indicating your shooting style, whether you are male or female, and the date. If you are not an adult, please list your age. Remember to circle your 20s to make it easier for the scorekeeper to do her job. You do not have to be a member of CBH-SAA/NFAA to compete for the club championship, however you must be a member to receive NFAA pins and other awards. All awards and pins will be given out at the awards banquet.

ADVERTISING IN THE ARROW

A couple of months back the Board voted to allow advertising in the Arrow to help offset some of the cost incurred in getting this fine publication to your mailbox. For \$25.00 (per occurrence) you can have your business card print in the Arrow. Please contact the Editor if you are interested.
