ARROW

September 2008

Hi All,

Well, our 1 Million B C shoot is behind us and I would like to thank all of the club members who put in all the work to make another absolutely FANTASTIC shoot.

The turnout was really quite good for today's gas prices and economic conditions as, we were only down a small percentage of shooters from last years numbers. As far as I know those who came said they had a GREAT time and were already looking forward to next year.

Once again THANKS to all who worked for this shoot and if you didn't help—WHY?

The 1 Million BC is the biggest fundraiser of the year for YOUR club and it helps keep the best range in the state in the condition that you find it when you use it. Please don't be a user, be a supporter of your club.

I see the same faces working at all the shoots and work parties (a supposed requirement) so, let's see some new faces out there and give a small break to the faithful corps that seem to carry the load (actually they'll probably STILL be working side-by-side with you ☺).

As another year is coming to an end (one filled with a lot of personal loss for us as a club) I would like you all to remember our fallen comrades who will not be there to share a laugh or a smile or their sweat equity as we gather for shoots, work parties and pot-lucks. So, throw a little extra smile and a little extra effort on their behalf since they can't be here to participate.

OK, ELECTIONS ARE COMING (club that is). There is a nomination board in the clubhouse if you can serve YOUR club please enter your name into the process. PLEASE enter ONLY the names of those who have agreed to serve on the board. It's not always easy, but when you see progress it is fulfilling. So, STEP-UP and help the club because without the workers and the board this GREAT PLACE would not exist!!

See you at the range,
JIM

ELECTIONS

As Jim mentioned, elections for officer and board positions are coming soon. There are 14 positions to be filled—President, Vice President, 2nd Vice President-Hunting, Secretary, Treasurer, Editor, Scorekeeper, Range Captain and 6 general members. If you have questions about what is really involved with any these positions, feel free to contact any current board member or officer and ask away. *[All officer and board member contact info is provided at the end of each edition of the "Arrow".]*

A list of nominees will be in the next issue of the "Arrow" (assuming there is one). Ballots will go out in the mail towards the end of October to members in good standing (for new members, this means you've completed your required work party). Should you be interested in throwing your hat into the ring, the responsibilities of the various officer positions as stated in our constitution are as follows:

2008 REGIONAL OUTDOOR CHAMPIONSHIPS

We are hosting this event at the range on Sunday, October 12. It is the third leg of the NCFAA Regional Championship. Scores submitted for the field and hunter rounds count towards the three rounds required for our Club Championship.

3D COMBO SHOOT/CLUB CHAMPIONSHIP

The fourth and final Club Half & Half/3d Club Shoot is scheduled for **Sunday, September 14**. Some of you need one more score to compete for an award. Come on down and have some fun while the weather allows. You can also share a tasty dish or six at the BBQ and potluck that evening. You only need to submit two scores to qualify to for an award at our annual dinner in November (*save the date - tentatively November 20*).

And, it's a good time to remind you that the last day to turn in scorecards for "The Other" Club Championship will be November 1. You can shoot at any time with three members to turn in your score on 28 targets. Just make sure that you note on your scorecards which you shoot first, 14 field or 14 hunter. It would also be helpful if you identify your shooting class (m/f, age group, style, etc.).

THANKFUL THOUGHTS

As we sent Amber off to college a few weeks ago it gave me a little reflection on life, particularly our life at the range. Amber and Harley were 5 and 6 years old hunting for newts or crawling under the bridge with Jessica Brown & the Dahl kids. Running around, digging in the dirt, shooting their little red bows and riding in the backs of trucks setting up shoots alongside their dad. As they grew older and still ran around the range playing and shooting and learning from many of our wise archers the good things in life. As they became teenagers and still love to come out on Sunday nights for the BBQ and help wherever it is needed for the shoots or for anything else. We watch them grow and see how the people here have influenced them in becoming wonderful human beings. This place was a Godsend for our family and I just want to thank our friends and family for showing our children love, honesty and integrity, friendship, kindness, they even got a few lessons in History & English! Most all of all they have learned what being part of a caring community is about and we appreciate all of you!

Tim & Marina Hamack
